

Split Luxury Weddings

The paths of Roman Emperor Diocletian will take you to the romantic city of Split in the heart of Croatian Dalmatia region

Mediterranean Wedding Style / Get inspired.

Idyllic destination for urban yet romantic seaside wedding. Here you can say „Yes“

Add a touch to your special day.

Irresistible mixture of history, tradition, impressive architecture and relaxed Mediterranean lifestyle. Modern vibes, contemporary design and culture of living by the beach and on the beach are features that will easily warm your heart when in Split. Split is the city of museums but also lively museum itself. Split's narrow streets are filled with treasures, from picturesque boutiques, galleries, restaurants and cafes sometimes literally built into ancient walls providing an uncommon scene for great wedding photography. Split as an everlasting warm and exotic seaside city in Croatia is an extraordinary place which historical city core has been on the UNESCO's List World Heritage since 1979.

Give your guest lovely little wedding adventure and get married in unique place around Diocletian palace. After 1700 year people still work and live here. There are so much history and so much mystery around every corner.
